

Festival News

Garstang Walking Festival takes place every year and was launched by Wyre Council to entice people to visit the area, and enjoy the lovely countryside. Now the event is a firm favourite amongst walkers of all abilities and is coordinated by the Friends of Garstang Walking Festival with support from Wyre Council. 2019 is our 15th year!

The Friends of Garstang Walking Festival is a group of dedicated volunteers who do a fantastic job of coordinating the event and lead many of the walks alongside Wyre's countryside rangers. As well as the chance to get outdoors and enjoy some fantastic scenery, our walk leaders are experts in the natural environment and local history – you'll be amazed by what you learn.

During the festival there are many walks to choose from including:

Long distance challenges

Family walks and pre-school activities

Health walks

Dog friendly walks

Heritage walks

Wildlife walks

There are walks ranging from an hour to all day challenges, graded from easy to hard. Participants of all abilities will be welcomed.

As soon as the full programme of walks is available you can view it at wyre.gov.uk/garstangwalkingfestival
